CAREER OBJECTIVE

Front-End Developer with proven experience at Hype Empreendimentos and Guarani Sistemas in helping companies create and maintain a better code base for reusability.

Passionate about learning and development with a desire to refine skills on a larger development team. Eager to tackle more complex problems and continue gain market experience.

WORK EXPERIENCE

Front-end Developer

Hype Empreendimentos
August 2022 - August 2023 / Remote

- I started and contributed to the development of highly complex SaaS using React, Next.js and Typescript.
- I wrote modern, high-performance and easy-to-maintain code.
- I helped refine the back-end by offering feedback and consuming the GraphQL API
- Used D3.js libraries to produce dynamic and interactive data visualizations.
- Applied CI/CD, unit and integration tests.
- I interacted with multidisciplinary teams of engineers, analysts and designers on a weekly basis.

Estagiário em Desenvolvimento Web

Guarani Sistemas
May 2021 - December 2021 / Remote

- Training in Vue.js, HTML, CSS and JavaScript.
- Resolution of low and medium priority issues.
- Creation of User Stories for sections external to the MVP.
- Creation of mock ups and screens with a Mobile First approach.
- UI/UX with Adobe XD

- Participation in daily meetings - Daily Scrum.
- Project versioning using GitLab.
- Issue tracking on the Kanban board - Jira.
